GENERAL POLICIES

1. Students are expected to be ready for their classes. This means a student is expected to arrive early dressed and with hair ready before entering dance class.
2. Students arriving late are not permitted to walk into an ongoing class. Late students should ask the teacher for permission to join a class that has already started by waiting just inside the classroom door.
3. Teachers should be addressed with respect. (i.e. Ms. Karen, Ms. Kitty) unless otherwise instructed by the individual teacher. This is to help the students maintain a more professional demeanor.
4. No gum, food or drinks are permitted in the dance studios.
5. Students may not sit down unless instructed to do so by their teacher.
6. Students may not leave the classroom without the teacher's permission. This is for their safety.
7. No excessive conversations should take place during class. This can be disruptive to fellow classmates on the floor. We can all learn by observing others.
8. Be respectful of yourself and others. Kindness goes far. No foul language will be tolerated.
9. Students need to call the studio at (602) 909-7073 to notify us of any absence or lateness. You may take a make-up class at your level or lower. Any other options must be discussed with the instructor.
10. Parents: If you need to remove your child early from class, please inform the teacher prior to class.
11. Observation is permitted from the seating area by the main door.
12. Parents: Please be prompt in picking up your children at the end of class. Teachers tend to have classes back to back, and we cannot baby-sit students. If they must wait, please notify the front desk and have your child prepared ahead of time with some work to keep them occupied. The studio will not stay open more than 10 minutes after the last class of the evening.
13. NO eating in the studios.
14. Water is permitted for sipping while in class.
15. NO Cell Phones in the studio. Cell phones are a distraction. Dancers should set their phones on silent or vibrate and keep them in their dance bags at all times. Parents should not use their phones inside the studio and it should be set to silent or vibrate.
